MARINE MAINTENANCE PRODUCTS

SCINCO/FAST[®]
a division of Bio-Microbics, Inc.

The **Mighty Mike® Marine Multi-Purpose Cleaner** is certified safe¹ to clean all surfaces (from vinyl to decking and more!) without damaging surfaces or leaving harmful residues² and is water safe!

POWERFUL, the **Mighty Mike® Marine Multi-Purpose Cleaner** gently lifts dirt, oil, grime to effectively clean and degrease to effectively target the stain, not the surface.

Safe for use around all bodies of water, the **Mighty Mike® Marine Multi-Purpose Cleaner** contains no EPA priority pollutants, heavy metals, or chemicals listed under RCRA, CERCLA, or CWA or other environmental contaminants.

Natural, non-toxic, & biodegradable³ for:

- **Daily Cleaning** for all marine applications.
- **Galley & Head** on all washable surfaces.
- **Outdoor Cleaning** from hull, starboard, port side, masts, etc.

1. Internationally certified by SGS Testing Labs, this product has been tested to meet the quality and safety standards for performance.
2. Surfactants used are compounds that lower the surface tension of a liquid, the interfacial tension between two liquids, or that between a liquid and a solid. It ensures that no residue is left.
3. Using the OECD Chemical Test Guideline 301A DOC, the Standard Test Method for Determining Biodegradation result of biodegradability in soil analysis of this product shows substance degrades >97% in 28 days (Japan Food Research Labs File#197121860-004).

Mighty Mike® Marine Multi-Purpose Cleaner

Item	Size	Bottle Packaging
T-5685	16 oz. (500 ml)	3" dia. X 6.5"
T-5686	32 oz. (1 L)	3.5" x 4.5" x 6.5"
T-5687	128 oz. (3.78 L)	6" dia. X 12"

Non-toxic and contains:

- **NO OIL-BASED SOLVENTS**
- **NO QUATERNARY AMMONIAS**
- **NO HARSH CHEMICALS**
- **NO GLYCOL ETHERS**
- **NO PHOSPHATES**
- **NO FRAGRANCES**
- **NO DYES OR ACIDS**

RATED SAFE FOR ALL BODIES OF WATER!

The **Mighty Mike® Marine Multi-Purpose Cleaner** **FAST-iciously** cleans all washable surfaces without damage or leaving harmful residues!

Approved by the USDA for use on all surfaces for food processing and preparation equipment. It gently, quickly, and easily breaks up and releases oily dirt, grease, and grime on a variety of washable surfaces - even surfaces that come in contact with sailing waters.

AMAZON
Customer Reviews:

A LITTLE GOES
A LONG WAY

"One ounce of this detergent cleans my laundry better than anything I've tried. Sensitive skin runs in the family, and this product has bothered no one. [With] how many loads a gallon does, it is well worth the money...including the savings!!"

**Certified
Biodegradable***

*Standard Test Method for determining biodegradation was more than 97% degraded: less than 2.7% product remaining is mineral based. (Japan Food Research Labs). Safe for use in biological septic systems and near waterways.

Contains Natural Cleaning Agents:

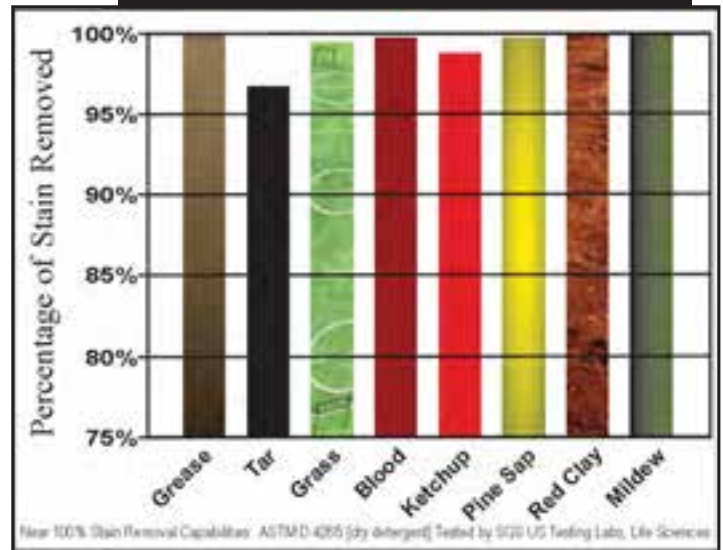

- **NO PETROLEUM-BASED SOLVENTS**
- **NO QUATERNARY AMMONIAS**
- **NO UV BRIGHTENERS**
- **NO GLYCOL ETHERS**
- **NO PHOSPHATES**
- **NO FRAGRANCES**
- **NO ACIDS OR DYES**

- **HYPOALLERGENIC**, maintains color and rinses completely leaving no residues for sensitive skin.
- **SAFE & EFFECTIVE** in all temperatures.
- **LOW-SUDSING & IDEAL** for any High-Efficiency (HE) or Front Loading washing machines and septic systems!

Mighty Mike® Laundry Detergent is tough on dirt—not your clothes. A concentrated formula (x2) and revolutionary approach to laundry care, **Mighty Mike® Laundry Detergent** is a clear, low-sudsing, scent-free, petrochemical-free detergent perfect for those with sensitive skin and High-Efficiency (HE) washers.

Safe and effective for all fabrics including: silk, wool, linen, cotton, and high-tech microfiber (such as: neoprene, spandex, Gore-Tex), the **Mighty Mike® Laundry Detergent** is **POWERFUL** enough to remove nearly 100% of entrapped odors and tough organic stains - yet extremely gentle on fabrics.

The Mighty Mike® Laundry Detergent **FAST-idiouly** cleans and restores the natural softness to cotton, microfibers and silk fabrics. With near 100% stain-removal capabilities [see chart above] and stubborn odors in athletic wear, the **Mighty Mike® Laundry Detergent** can maintain the flame-proof protection and the water repellency on specialty fabrics.

Mighty Mike® Laundry Detergent

Item	Size	Packaging
T-5680	16 oz. (500 ml)	3" dia. X 6.5" Small bottle
T-5681	1 Gal. (3.78 L)	6" dia. X 12" Gallon bottle

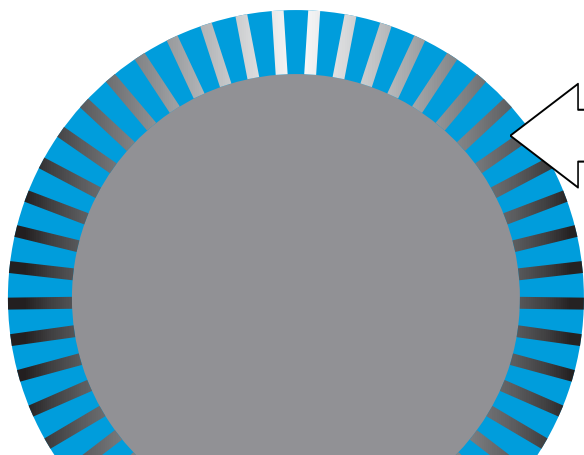

- **SAFE FOR PLUMBING FIXTURES**
- **TIME-RELEASE TABLET**

Mighty Mike® CPT (Calcification-Prevention Treatment) Tablet is for the prevention or removal of calcium plaque and buildup in pipes and containers that hinder the performance of vital water systems.

EASY APPLICATION: The pre-measured, non-toxic **Mighty Mike® CPT Tablet** is an extended-release composition of a proprietary, polymer-bound, water-soluble formation. Use the CPT Tablet as a maintenance solution to dissolve the toughest calcium build up in water systems, pipes, and drains.

TIME-RELEASED BY FLUSH: Placed directly in the urinal(s) or other water-flushed pipe for periodic removal of calcium buildup, the **Mighty Mike® CPT Tablet** leaves no waste product to be manually disposed. The **Mighty Mike® CPT Tablet** provides an effective formulation of ingredients that results in longer-lasting treatment and reduces the associated costs and maintenance of removing calcium build up.

Mighty Mike® CPT Tablet is approximately 3" (7.6 cm) in diameter, 7/8" (2.2 cm) thick, and weighs about 4 oz (113 g).

Mighty Mike® CPT (Calcium-Prevention Treatment) Tablets

Item	Quantity	Weight
Can only be ordered in quantities of 50 Tablets		
T-9055	500	50 16 lb.

Note: Number of tablets needed may vary due to the size of system and severity of build-up. Proper maintenance, regular cleaning, and ongoing usage of tablets are recommended. Always adhere to rules and regulations in your area.

FREQUENTLY ASKED QUESTION:

Q: Can the CPT Tablet be used in a vacuum toilet system?

A: Yes! The U.S. Navy conducted a one (1) year study in a DD-963 Class Ship to determine its effectiveness in a vacuum sanitary waste system.

The results of the evaluation indicated the **Mighty Mike® CPT Tablets** is effective in preventing scale build-up in vacuum systems.

BEFORE

AFTER

Mighty Mike® CPT Tablet *FAST*-idioulsy cleans and removes calcium build-up to keep vital water systems operating efficiently with minimum attention and expense.

"The CPT Tablets aren't very big and aren't very expensive, but saves a ton in plumbing services."

- U.S. Navy

**Ideal for Sewage Treatment Systems
in the event of:**

- **TOXIC SHOCK/SYSTEM RESTART**
- **HYDRAULIC SURGES**
- **LIGHT OR NO-LOADING**
- **OVER-LOADING WASTE**
- **CLOGGED PIPES**
- **GENERAL MAINTENANCE**

Mighty Mike® U&F-BOOST!® (Billion Onsite Organism Sewage Treatment) Tablet and **Mighty Mike® FOGHog®** (fat, oil, grease treatment) Tablet utilizes a special formulation over 25 billion active, robust class 1 organisms per gram specifically to consume the waste and break fat down naturally.

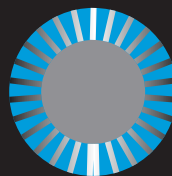

ACTIVATES IN AEROBIC & ANAEROBIC CONDITIONS: Once introduced in the wastewater stream or under the scum layer, the water-soluble tablet immediately activates and feeds on the surrounding waste to provide a healthy population in the system. The **Mighty Mike® U&F-BOOST!®** and **Mighty Mike® FOGHog® Tablets** improve flow, system/pump efficiency, and prevent blockages in pipes, lines, pumping stations in the drainage network. No mixing, measuring or pre-soaking necessary!

Mighty Mike® U&F-BOOST!® Treatment Tablets			
Item	Hydraulic flow (in gal.)	Quantity (approx)	Weight
T-1461 250-6OZ	250	~25	6 oz.
T-1462 500-6OZ	500	~14	6 oz.
T-1421 250-2LB	250	~150	2 lb.
T-1422 500-2LB	500	~90	2 lb.
T-1451 250-5LB	250	~390	5 lb.
T-1452 500-5LB	500	~225	5 lb.

Note: Number of tablets needed may vary. Proper maintenance and regular pumping of septic system is recommended. Always adhere to rules and regulations in your area.

Mighty Mike FOGHog® Tablets (Fats, Oils & Grease Biological Treatment)			
Item	Hydraulic Flow (in gal.)	Quantity (approx)	Weight
T-1262 500-6OZ	500	~14	6 oz.
T-1222 500-2LB	500	~90	2 lb.
T-1252 500-5LB	500	~225	5 lb.

Note: Number of tablets needed may vary based on the concentration of FOG in the plumbing. For regular cleaning and proper maintenance on going usage of tablets is recommended.

Each **Mighty Mike® U&F-BOOST!®** and **Mighty Mike® FOGHog® Tablet** are approximately 7/8" (2.2 cm) in diameter and 5/8" (1.58 cm) thick.

FAST-idioulsy boosts your system's performance, the **Mighty Mike® U&F-BOOST!®** and **Mighty Mike® FOGHog® Tablets** are formulated with over 25 billion active, robust organisms per gram to quickly, easily, and safely consume the waste and grease build up.

Use **Mighty Mike® Marine Descaler** as your maintenance solution to **FAST-**idiolously clean and remove unwanted marine growth and keep vital onboard water systems operating efficiently with minimum attention and expense.

Mighty Mike® Marine Descaler dissolves unwanted mineral deposits, rust, or calcium build-up (which can hinder the performance of vital water systems). Formulated to *SAFELY USE* on aluminum parts, this *SIMPLE and EFFECTIVE* solution removes rock-like scale deposits that reduce efficiency to keep the vessel operating at optimum levels.

NON-TOXIC, **Mighty Mike® Marine Descaler** can dissolve the toughest mediums - even tannic acid - with little or no work. Not a powder or paste, this ready-to-use liquid can be sprayed on and wiped off with ease. Biodegradable, it can be disposed of in normal sewer systems and in many cases directly in ocean or inland waterways.

Ideal to reduce workload and costs for CIP (clean in place) maintenance for all onboard:

- **Water / Wastewater Systems**
- **Cooling Water Systems**
- **Generators / Evaporators**
- **Heaters / Boilers / Keel Coolers**
- **Condensers**
- **Pumps / Strainers / Piping**
- **Hulls / Propellers**
- **Fire Mains...and more!**

The **Mighty Mike® Marine Descaler** will not corrode, pit, oxidize, or have harmful effects on any metal surface of vital water equipment and systems.

Mighty Mike® Marine Descaler		
<i>Item</i>	<i>Size</i>	<i>Packaging Container</i>
T-5688	1 Gal. (3.78 L)	6" dia. X 12" bottle
T-5689	5 Gal. (19 L)	12" x 10" x 15"

For most "easy cleaning" dilution method: mix 1 part of **Mighty Mike® Marine Descaler** to up to 1 part water. 1 Gallon dissolves 2 pounds of the toughest calcium deposits!
